

ATCA November update

Summer is just around the corner, hopefully bringing sunny days and warm weather. The big news in the neighbourhood is the return of our Surplus Fruit & Veg stall—which must be a sign that summer is nearly here!

Your committee has been working hard again this month, and we have some great projects and events on the horizon. Read on to find out more about what's happening in your community.

Regards,

The Albert Town Community Association

ATCA Projects

New Defibrillator onsite

The new defibrillator has been installed outside Four Square on Allison Avenue. Thanks to Four Square for their assistance and donation towards its purchase. Next up, staff working in the Allison Ave precinct will receive training from St John on operating it in case of an emergency.

Albert Town's newest artwork

Shane Walker has produced a stunning mural to enhance the telco box on Allison Avenue. His brief was to create an artwork reflecting Albert Town, and we are thrilled with what he has produced. The feedback has been very positive so far!

ATCA AGM

Our AGM is scheduled for January 26th at 4 pm at the Albie Café. The amended Constitution, which complies with the new legislation, needs to be adopted at this meeting. You can view it on the [ATCA website](#). Would you like to stand on the committee or ask questions about what it involves? Please contact us by [email](#) or phone 027 2589779 to find out more.

The Fruit & Veg stall is back

The surplus fruit, vegetable and plant stall has been installed on the Sherwin Avenue reserve near Rifleman Street. Feel free to donate any spare fruit, vegetables, or plants. Please, no processed food. Residents are welcome to use any of the donated goods.

Templeton Park Rabbit Control

QLDC is in the process of extending fencing at Templeton Park before commencing a rabbit control program. Once the rabbits have been eliminated, the area will become a usable recreational space for everyone to enjoy. Native tree planting will also be done in the future. QLDC is also supplying a picnic table for the park, which will be installed soon.

Summerdaze Picnic in the Park

Mark the Summerdaze events in your calendar, happening throughout November and February in Albert Town, Makarora and Luggate. These are QLDC-run events and are a great opportunity to talk informally with your Councillors and Community Board members.

SUMMERDAZE

PICNIC IN THE PARK

CELEBRATE SUMMER WITH THE FREE SUMMERDAZE COMMUNITY BBQ EVENTS

Enjoy some community fun with the Summerdaze BBQs. We'll supply a games trailer, a pop-up library, face painting, and a free sausage sizzle to keep everyone entertained. Plus, our councillors and board members will be present for informal chats about the community's future and open consultations.
